**STIPULATION FOR COMPROMISE SETTLEMENT AND RELEASE OF  
FEDERAL TORT CLAIMS ACT CLAIMS PURSUANT TO 28 U.S.C. § 2677**

It is hereby stipulated by and between the undersigned Plaintiffs (meaning any person, other than Defendant the United States of America and the parties' attorneys, signing this agreement waiving and releasing claims) and Defendant the United States of America (hereinafter the "United States," and collectively, with Plaintiffs, the "parties") by and through their respective attorneys, as follows:

1. The parties to this Stipulation for Compromise Settlement and Release (hereinafter "Stipulation") do hereby agree to settle and compromise each and every claim of any kind, whether

known or unknown, including claims for wrongful death, arising directly or indirectly from the acts or omissions that gave rise to the above-captioned action under the terms and conditions set forth in this Stipulation.

2. This Stipulation is not, is in no way intended to be, and should not be construed as, an admission of liability or fault on the part of the United States, its agents, servants, or employees, and it is specifically denied that they are liable to Plaintiffs. This settlement is entered into by the parties for the purpose of compromising disputed claims and avoiding the expenses and risks of further litigation.

3. In consideration for Plaintiffs' agreement to accept the terms and conditions of this settlement, the United States agrees to pay Plaintiffs the amount of One Million Nine Hundred Ninety-Nine Thousand Nine Hundred and Ninety Nine Dollars (\$1,999,999.00) (hereinafter "Settlement Amount") in connection with the Federal Tort Claims Act ("FTCA") claims asserted by Plaintiffs in the above-captioned action as set forth below. As Plaintiffs have agreed to voluntarily dismiss all other claims against all defendants with prejudice and without payment, no portion of the Settlement Amount is attributable to any claim other than the FTCA claims.

a. Within five business days after counsel for the United States receives (1) this Stipulation signed by all parties to said document; (2) the Social Security numbers or tax identification numbers of Plaintiffs and Plaintiffs' attorneys; (3) Order(s) approving the settlement, and authorizing an individual or entity to sign, on behalf of any minor or estate; and (4) an authorization by the Attorney General or his designee to conclude negotiations and to consummate the settlement, counsel for the United States will submit a request to the United States Treasury, requesting an electronic funds transfer ("EFT") for the Settlement Amount, made payable to the "COHEN GREEN PLLC IOLA ATTORNEY TRUST ACCOUNT NY." Plaintiffs' attorneys agree

to distribute the Settlement Amount to Plaintiffs, in accordance with the terms and conditions of this Stipulation.

b. With respect to the payment of the Settlement Amount, Plaintiffs stipulate and agree that the United States will not sign an annuity application form, a uniform qualified settlement form, or any equivalent such forms, and that the United States will not pay the Settlement Amount into a qualified settlement fund or an equivalent fund or account, settlement preservation trust, or special or supplemental needs trust. Plaintiffs further stipulate and agree that Plaintiffs, Plaintiffs' attorney(s), any Guardian Ad Litem, and Plaintiffs' representatives (including any structured settlement annuity broker, regardless of whether said broker was retained by them or by someone else, either before, during, or after the settlement) will not attempt to structure the Settlement Amount in any way, form, or manner, including by placing any of the Settlement Amount into any qualified settlement fund or its equivalent. However, nothing in this Paragraph 3.b. precludes Plaintiffs from purchasing non-qualified annuities after Plaintiffs have received the Settlement Amount, but Plaintiffs agree not to represent to any person, entity, or agency that Plaintiffs are purchasing qualified structured settlement annuities and Plaintiffs agree not to attempt to purchase such structured settlement annuities.

c. Plaintiffs stipulate and agree that their attorneys shall escrow the aggregate face value of any and all currently known liens and currently known claims for payment or reimbursement, including any such liens or claims by Medicaid or Medicare, arising out of the subject matter that gave rise to the above-referenced civil action, whether disputed as legally valid or not, and shall not distribute to Plaintiffs any portion of the escrowed amount unless and until said liens and claims have been paid or resolved.

d. The parties agree that any attorneys' fees owed by Plaintiffs relating to this FTCA matter shall not exceed twenty-five percent (25%) of the Settlement Amount. 28 U.S.C. § 2678.

The parties further agree that any such attorneys' fees, along with Plaintiffs' costs and expenses incurred in bringing the above-referenced action, and their costs, expenses, and fees (including all fees of any legal Guardian Ad Litem) associated with obtaining court approval of this settlement on behalf of any minor, incompetent adult, or estate required to sign this Stipulation, shall be paid out of the Settlement Amount, and not in addition thereto. The parties agree that any fees, including fees of any legal Guardian Ad Litem, incurred in providing legal services in this matter and in any court proceedings reviewing the settlement for approval purposes shall be considered attorneys' fees and not costs, and shall be subject to the provisions of 28 U.S.C. § 2678.

4. Plaintiffs and Plaintiffs' guardians, Guardian Ad Litem (if any), heirs, executors, administrators, and assigns hereby accept the settlement and the payment of the Settlement Amount in full settlement, satisfaction, and release of any and all claims, demands, rights, and causes of action of any kind, whether known or unknown, including any future claims for survival or wrongful death, and any claims for fees, interest, costs, and expenses, arising from, and by reason of, any and all known and unknown, foreseen and unforeseen, bodily and personal injuries, including the death of Franklin Ramos Sanchez, or damage to property, and the consequences thereof, which Plaintiffs or their heirs, executors, administrators, or assigns may have or hereafter acquire against the United States on account of the subject matter that gave rise to the above-captioned action.

Plaintiffs, on behalf of themselves, their respective heirs, executors, administrators, assigns, predecessors and successors in interest, do hereby, for good and valuable consideration, the receipt of which is hereby acknowledged, release and forever discharge the United States, and its respective officials, agencies, representatives, officers, employees, agents, assigns and attorneys, from any and all claims, demands, rights, causes of actions, liens, and all other liabilities whatsoever, whether known or unknown, suspected or unsuspected, that Plaintiffs have had, now

have or hereafter may have with respect to the same subject matter that gave rise to the above-captioned action, as well as claims relating to or arising out of the subject matter that gave rise to the above-captioned action that could have been but were not alleged in this action.

Plaintiffs and Plaintiffs' guardians, heirs, executors, administrators, and assigns further agree to reimburse, indemnify, and hold harmless the United States from and against any and all claims, causes of action, liens, rights, or subrogated or contribution interests (whether such claims, causes of action, liens, rights, subrogated interests, or contribution interests sound in tort, contract, or statute) incident to, or resulting or arising from, the acts or omissions that gave rise to the above-captioned action, including claims or causes of action for wrongful death.

Plaintiffs and Plaintiffs' guardians, heirs, executors, administrators, and assigns further stipulate and agree that they are legally responsible for any and all past, present, and future liens and past, present, and future claims for payment or reimbursement, including any past, present, and future liens or claims for payment or reimbursement by any individual or entity, including an insurance company, Medicaid, and Medicare, arising from the injuries that are the subject matter of this action. Plaintiffs stipulate and agree that they will satisfy or resolve any and all such past, present, and future liens or claims for payment or reimbursement asserted by any such individual or entity. Plaintiffs agree that, no later than thirty (30) days from the date any past, present, or future lien or claim for payment or reimbursement is paid or resolved by Plaintiffs, they will provide to the United States evidence that said lien or claim has been satisfied or resolved and that said lienholder has waived and released such lien or claim. The evidence required by the terms of this Paragraph may be satisfied by a letter from Plaintiffs' attorney representing to counsel for the United States that such lien or claim has been satisfied or resolved and that the lienholder has waived and released such lien and claim.

5. This compromise settlement is specifically subject to each of the following

conditions:

a. The Attorney General or the Attorney General's designee must approve the terms and conditions of the settlement and authorize the attorney representing the United States to consummate a settlement for the Settlement Amount and upon the terms and conditions agreed upon by the parties, as set forth in this Stipulation.

b. The parties must agree in writing to the terms, conditions, and requirements of this Stipulation. The parties stipulate and agree that the Stipulation and the compromise settlement are null and void in the event the parties cannot agree on the terms, conditions, and requirements of this Stipulation. The terms, conditions, and requirements of this Stipulation are not severable and the failure to agree, fulfill, or comply with any term, condition, or requirement renders the entire Stipulation and the compromise settlement null and void. The parties must agree to the terms, conditions, and requirements of this Stipulation before the United States Attorney's Office will seek settlement authority from the Attorney General or the Attorney General's designee.

c. Plaintiffs must obtain, at their expense, approval of the settlement by a court of competent jurisdiction on behalf of the Estate of Franklin Ramos Sanchez. The terms of any court Order, a draft of which shall be approved by the United States, are a condition of this settlement. Plaintiffs agree to obtain such approval(s) in a timely manner, time being of the essence. Plaintiffs further agree that the United States may void this settlement at its option in the event any such approval is not obtained in a timely manner. In the event Plaintiffs fail to obtain such court approval(s), the entire Stipulation and the compromise settlement are null and void. Plaintiffs must obtain such court Order before the United States Attorney's Office will seek settlement authority from the Attorney General or the Attorney General's designee.

d. Plaintiffs must obtain a release and waiver of any claim or cause of action

(whether sounding in tort, contract, statute, or otherwise) that any alleged tortfeasor who is not a named defendant in this action, if any, has or may have in the future against the United States arising out of the subject matter of the above-captioned action. This condition is for the benefit of the United States exclusively. The United States will provide the form of Release and Waiver, or any changes to the form required by the United States, to be used by Plaintiffs in obtaining a release and waiver from any alleged tortfeasor. Before the United States Attorney's Office will seek settlement authority from the Attorney General or the Attorney General's designee, Plaintiffs must provide the United States with either (i) all such releases and waivers required by this Paragraph 5.e., or (ii) a written representation by Plaintiffs' attorneys stating that, after a diligent search of counsel's law firms' records and files, including expert and consultant reports, and of Plaintiffs' records and files, Plaintiffs and their attorneys are unaware of any such potential tortfeasor.

e. Plaintiffs must obtain an order from the United States District Court for the Southern District of New York dismissing this action in its entirety with prejudice, including all claims brought by Plaintiffs against the United States and each additional defendant named in the Second Amended Complaint, with each side bearing its own costs, expenses, and fees, and with the District Court not retaining jurisdiction over the above-captioned action, this settlement, the United States, or any other defendant in this action.

6. The parties agree that this Stipulation, including all the terms and conditions of this compromise settlement and any additional agreements relating thereto, may be made public in their entirety, and Plaintiffs expressly consent to such release and disclosure pursuant to 5 U.S.C. § 552a(b).

7. Plaintiffs shall be solely responsible for full compliance with all applicable Federal, state, and local tax requirements. Plaintiffs execute this Stipulation without reliance upon any representation by the United States as to tax consequences, and Plaintiffs agree that they are

responsible for the payment of all taxes that may be associated with this settlement. Further, nothing in this Stipulation waives or modifies Federal, state, or local laws pertaining to taxes, offsets, levies, and liens that may apply to this Stipulation or the Settlement Amount proceeds. Plaintiffs execute this Stipulation without reliance on any representation by the United States as to the application of any such law. Plaintiffs, on behalf of themselves and their guardians, heirs, executors, administrators, assigns, subrogees, predecessors in interest, and successors in interest, understand and agree that this transaction may be reported to the Internal Revenue Service and other government agencies in the ordinary course of the business of the United States and may be subject to offset pursuant to the Treasury Offset Program.

8. Plaintiffs represent that they have read, reviewed and understand this Stipulation, and that they are fully authorized to enter into the terms and conditions of this agreement and that they agree to be bound thereby. Plaintiffs further acknowledge that they enter into this Stipulation freely and voluntarily. Plaintiffs further acknowledge that they have had sufficient opportunity to discuss this Stipulation with their attorneys, who have explained the documents to Plaintiffs and that Plaintiffs understand all of the terms and conditions of this Stipulation.

9. It is contemplated that this Stipulation may be executed in several counterparts, with a separate signature page for each party. All such counterparts and signature pages, together, shall be deemed to be one document.

WHEREAS, the parties accept the terms of this Stipulation for Compromise Settlement and Release as of the dates written below:
